Summit 2025

Architecting The Future

Program-at-a-Glance

Draft Program Subject to change

KSA Times

Time	Session
08:30 Registration	
09:45	Opening Proceedings
09:50	Opening Keynote: Architecting the Future
10:05	Opening Panel: Healthspan Science, Research Investment, Medicine and More – What Now, What Next?
10:40	Science Focus: Science Beyond the Hallmarks of Aging Exposomes, Microbiomes, Sexual Dimorphism and Scientific Investigations around Healthspan
11:15	Investment Focus: New Perspectives and Investor Focus Points
12:00	Fireside Chat: The Future of Medicine – The Next Era of Bioethics
12:30 Lunch and Networking in the Healthspan Hub	
15:00	New Insights: Comparative Biology - What Can it Unlock?
15:15	New Insights: Rejuvenation - What Role in the Healthy Aging Debate?
15:30	New Insights: Remodeling and Recalibrating Approaches Healthspan through Interventions Beyond the Clinic
15:45	Fireside Philanthropy Chat: Advancing Equity and Scientific Innovation through Policy Levers
16:05	Fireside Healthcare Chat: Innovating to create Future-Fit Grant Systems and Funding
16:20	Intersectional Town Hall: Architecting the Future through Research and Innovation (with Audience Q&A)
17:30	Closing Keynote
17:45	End of GHS Day 1

<p>The Foundry Shaping, transforming and redefining our knowledge</p>	<p>The Innovation Lab The latest in Science, Medicine, Research, Policy And Human Capital</p>	<p>The Ideas Lab The latest in Investment, Entrepreneurship And Technology</p>	<p>The Forum Points, counterpoints, debate</p>
--	--	---	---

<p>D2IL-2 13:30-14:30</p>	<p>The Medical Hour</p>	<p>D1IF-1 13:30-14:15</p>	<p>Intrinsic Capacity – Measurement and Interventions</p>	<p>D1IF-4 13:30-14:15</p>	<p>Healthspan Investing Impact Outcomes</p>	<p>D1A-1 13:30-14:15</p>	<p>8 Billion Aging - Creating an Aging-Friendly World</p>
<p>D2IL-3 14:30-15:30</p>	<p>The Science Hour</p>	<p>D1IF-2 14:30-15:15</p>	<p>Resilience, Stress Resistance - Emerging Evidence and Research</p>	<p>D1IF-5 14:30-15:15</p>	<p>Regulatory and Ethical Considerations in Healthspan Investment</p>	<p>D1A-2 14:30-15:15</p>	<p>Healthspan - For Many or for Few?</p>
<p>D2IL-4 15:30-16:30</p>	<p>The Healthcare Hour</p>	<p>D1IF-2 15:30-15:15</p>	<p>Comparative Biology</p>	<p>D1IF-6 15:30-15:15</p>	<p>Sick-Care to Healthcare – Redesigning Systems</p>	<p>D1A-3 15:30-16:15</p>	<p>Bioethics Today</p>

Time	Session
08:30 Registration	
09:45	Day 2 Keynote: 8 Billion Aging. How Can we do it Better?
09:55	Opening Keynote: Navigating Complexity in Healthspan Implementation
10:05	Opening Keynote Response Panel: Tackling the Ethical Questions and Socio-Economic Opportunities Extending Healthspan
10:40	Counterpoints: Designing Healthspan Interventions – Science in the Clinical Setting vs Medicine In Practice
11:05	Panel: Advanced Data Analytics and Longitudinal Studies for Healthspan Research
11:30	Science Town Hall: Trends, Conundrums and New Findings
12:30 Lunch and Networking in the Healthspan Hub	
15:00	Investor Viewpoints: From Money to Measurement and Impact
15:20	Investor Viewpoints: Entrepreneurship and Innovation Ecosystems
15:45	Fireside Chat: Beyond the Valley of Death or Translational Research
16:05	Closing Town Hall: Architecting the Future through Research and Innovation (with Audience Q&A)
16:40	Closing Keynote and Proceedings
17:45	End of GHS Day 1

The Foundry
Shaping, transforming and redefining our knowledge

The Innovation Lab
The latest in Science, Medicine, Research, Policy And Human Capital

The Ideas Lab
The latest in Investment, Entrepreneurship And Technology

The Forum
Points, counterpoints, debate

D2IL-1 11:45-12:45	The GCC Hour	D2IF-1 11:45-12:45	Biomarkers – Right Track or New Track?	D2IF-5 11:45-12:45	Healthy Aging Policy Modelling and Impact	D2A-1 11:45-12:45	Prevention – When does it Become Unproductive?
D2IL-2 13:30-14:15	The Investment Hour	D2IF-2 13:30-14:15	Exposomes – Healthspan and Neural Aging	D2IF-6 13:30-14:15	Longitudinal Studies – Into the Next Era	D2A-2 13:30-14:15	What can AI and Healthtech (Really) do for Healthspan?
D2IL-3 14:30-15:15	The Ethics and Regulation Hour	D2IF-3 14:30-15:15	Glymphatics, Inflammation and Methods of Interaction	D2IF-7 14:30-15:15	Breakthrough Innovation Alliance	D2A-2 14:30-15:15	How can we leverage Social Determinants of Health to improve Equity?
D2IL-4 15:30-15:15	The New Investigators Hour	D2IF-4 15:30-15:15	Repurposing Drugs for Healthspan	D2IF-8 15:30-15:15	Human Capital for Healthspan	D2A-3 15:30-16:15	Behaviour, Environmental Exposure and
